January Outreach:

As the new year begins, our outreach focus will be on several projects supporting some of our most important partnerships at Brookhaven Christian Church.

Back to School Coffee -

Katia Mitchell, Monica Chipman, Beth Wendl, and Kathy McDowell welcomed BCC-CDC parents back to school on January 6 with hot coffee on a cold morning.

Suds for Suthers - All during January we will be collecting soap - liquid laundry (24-32 loads), liquid dish, or bar soap - for Suthers Center for Christian Outreach. Donations and sales from their thrift store enable them to purchase through the Atlanta Food Bank much of the food they distribute; but soap is not one of the items they can get. So bring on the Suds for Suthers!

\$20 for 2020 - Brookhaven Christian Church is part of a denomination called the Christian Church (Disciples of Christ) and that partnership supports us in ways we could never provide on our own such as: Camp Christian, Youth Assembly, workshops, regional retreats for women and men, guidance for churches searching for new pastors, resources on mental health, healthy boundaries, and clergy self-care. But this partnership needs our commitment. The Christian Church in Georgia is conducting an annual campaign called "\$20 for 2020." During 2020, you're invited to give \$20 once, or once a month, or any amount you wish, to support this campaign. Our goal is to get 20 commitments from BCC. Will you be one of those? Visit <http://www.gadisciples.org/annualfund> to make your pledge!
