

November Outreach

During November, our outreach focus will be to bring a little Thanksgiving to Interfaith Outreach Home and Suthers Center for Christian Outreach. Our goal is to raise \$2,000 for these two projects:

- Ten \$150 Walmart gift cards for the 10 families at Interfaith Outreach Home, which provides transitional housing, job training, financial planning and other skills to homeless parents and their children. With gift cards, parents can choose what is most needed for their family – whether that's a turkey, a prescription, or diapers.
- Fifty turkeys to be distributed on Nov. 14 and 21 through the drive-up food pantry operated by Suthers Center for Christian Outreach. Families will receive a turkey and a supplementary bag of seasonal food items in addition to their usual nutritionally balanced food bag.

If we exceed our \$2,000 goal, we will buy more turkeys or increase the value of the Walmart gift cards. Please share this project with your neighbors and co-workers who also might want to put some "giving into Thanksgiving." Be sure to note your gift is for "Thanksgiving projects".
